TENT ARCHITECTURE

# OUR TENTS ARE...

## FAST

Easy transport and quick set up mean less cost and more time for you to organize your event. Our Marquees, including floors, furniture, lighting and heating can be set up in a few hours.

Our innovative Tent Park, consisting of 500 metres of Domes, Marquees and Stretch tents can be set up within a day.

## FLEXIBLE

Our unique design features mean that our structures go in places where other tents can't. We can set them up in all sorts of locations, events and unusual venues...from indoor to outdoor, grass to gravel, festivals to forests, beaches to BBQ's and everything in between we have the solution for you.

## FRIENDLY

Not only are our team a likeable and friendly bunch but our tents are eco-friendly too.

We don't use huge trucks to transport our products and because of fast set up times we leave a tiny carbon foot print at every event we do. We care about the environment and are proud of our green credentials.

If you are looking for something really different for your outdoor space or event, then we're here to help you express your ideas and create lasting impact. We provide sales and rental options for innovative tent structures.

Whether you have a special event coming up or a permanent venue that needs a wow factor, we work with you to transform your outdoor spaces through an exclusive range of tent architecture solutions. Our fabulous structures provide stunning design, branding and projection opportunities.

Check out our solutions: MARQUEES, STRETCH TENTS and DOME TENTS.

We look forward to hearing from you!

# STRETCH TENTS

## Specifications

All our Stretch tents are made from revolutionary three ply material made in South Africa. They are white and 100% waterproof. They can be stretched to ground level for extra rain protection.

Stretch has multi-functional uses including stage covers and terraces. We always have a 10 x 10m, 10 x 7.5m and 6 x 4m of stretch material in stock - enough for events for up to 150 people. We sell and rent Stretch tents.

## Specificatii

*Toate corturile noastre Stretch sunt realizate dintr-un material revolucionar, din fibra organica in trei straturi, realizat in Africa de Sud. Sunt albe si 100% impermeabile. Pot fi aduse mai aproape de nivelul solului pentru protectie suplimentara la ploaie.*

*Corturile Stretch sunt multifunctionale, putand fi utilizate inclusiv pentru a acoperi scene sau terasari. Avem un stoc permanent pentru dimensiunile: 10 x 10m, 10 x 7.5m, 6 x 4m - pentru evenimente de pana la 150 de persoane. Corturile Stretch sunt disponibile pentru vanzare sau inchiriere.*

# MARQUEE TENTS

## Specifications

All our 9m x 12m Marquees come with side walls and are 100% waterproof. They can be joined and arranged in various formations for extra visual impact. Logos and branding can be attached.

Each Marquee can hold 60 people seated and 80 in cocktail format. We can supply Marquees for events up to 200 people.

## Specificatii

*Toate corturile noastre Marquee sunt furnizate cu pereti laterali si sunt 100% impermeabile. Acestea pot fi unite si aranjate in diferite forme, pentru un impact vizual puternic.*

*Pot fi branduite si imprimate cu logo-uri. Fiecare Marquee are o capacitate de 60 de persoane pe scaune si 80 in picioare. Va putem furniza Marquee-uri pentru evenimente de pana la 200 de persoane.*

# DOME TENTS

## Specifications

Our Domes are an excellent all year round event solution. The geodesic design is one of the strongest structures known to man. We have wonderful 9m diameter Dome in stock (for up to 60 people) but have access to a range of different sizes including a massive 27m Dome.

## Specificatii

*Corturile noastre Dome sunt o solutie excelenta pentru evenimente pe tot parcursul anului. Designul geodezic reprezinta cea mai rezistenta forma arhitecturala.*

*Avem disponibile pe stoc Dome-uri cu diametru de 9m (capacitate de pana la 60 de persoane). Pentru cereri speciale putem pune la dispozitia clientilor o gama variata de dimensiuni, inclusiv corturi masive de 27m.*
